

Is Your Idea The Next Big Thing?

Business and STEM students! Are you interested in connecting with others to solve real-world business problems? The KPMG Ideation Challenge is a unique event where you'll work in teams to collaborate, learn and create client solutions leveraging business knowledge and data & analytics.

The winning team will be flown to South Korea to represent Canada in the global final!

Local Competition Dates:

Vancouver Selection Event: January 21st or 22nd
Local Competition: January 31st and February 1st

Application Deadline: January 12th, 11:59pm PST

Are you up for the challenge?
