

OVERVIEW

Please note that you are limited to one application during the Fall recruitment period as we ask you to think ahead to what office you are interested in and what type of position you would like to pursue.

You've got big plans. We have big opportunities to match, and we're committed to empowering you to become a better you, no matter what you do.

When you join KPMG you'll be one of over 219,000 professionals providing audit, tax, advisory and business enablement services across 147 countries.

With the support to do things differently, grow personally and professionally and bring your whole self to work, there's no limit to the impact you can make. Let's do this.

Overview of U.S. Tax Services:

Our US Tax Services Group assists organizations to determine which US Corporate structure makes the most sense from a tax perspective. You will work with the largest group of U.S. Tax professional outside of the United States, learning and assisting Senior Accountants, Tax Specialists, Managers and Partners, in selecting the type of subsidiary capitalization that is most beneficial to our clients. You will be responsible for a variety of technical and support functions, including working with management to provide compliance related tax services to our diverse clients and assist in the preparation of corporate U.S. tax-return filings.

We're looking for someone that has a strong desire to pursue the U.S. CPA and join our team to provide tax compliance services to our clients.

What you will do:

- Preparing working paper files income tax returns for corporate clients
- Maintaining client files to ensure accurate and timely completion of return and schedules
- Ensuring follow-up on notices of assessments
- Providing support to team members in related tasks
- Tax research
- Completed or, willingness to complete the US CPA designation

At times, business needs arise and employees are required and agree to work beyond their normal work day or work week to fulfill the accountabilities required for their job. Likewise, people need time to devote to personal matters, and our approach to flexibility provides for this.

What you bring to the role:

- You have completed your post-secondary undergrad with a major or focus in Business/Accounting and are currently working towards completion of a Diploma in Accounting program
- You have satisfied the US CPA prerequisites, most importantly you have 150 post-secondary credits
- Work experience with a public practice accounting firm is a considerable asset to this position and experience with GoSystems being an extra asset
- You have shown that you can establish and maintain strong client relationships and that you can understand the clients' business
- You have excellent written and verbal communication skills, are a strong team player and are desirous of continuous learning

This posting is for a 8 month contract starting in June 2021

How to apply:

All applications must be received no later than 11:59PM PST on SUNDAY, OCTOBER 4, 2020

For an easy application process, please PDF all documents into one unlocked PDF file. Applications should include a cover letter, resume, and an electronic copy of your most recent transcript. If you do not have access to an electronic copy of your transcript, we ask that you attach a screenshot of your grades from your school's website. Application can be addressed to Lisa Lewkowicz, Campus Program Manager.

Please apply to the posting for the office you are most interested in. You will be given the opportunity to select your location preference (Vancouver or Kelowna) using the pre-screening questions.

If you experience any difficulties with the online system, please contact ca-fmcdncamprec@kpmg.ca
