

OVERVIEW

Please note that you are limited to one application during the Fall recruitment period as we ask you to think ahead to what office you are interested in and what type of position you would like to pursue.

You've got big plans. We have big opportunities to match, and we're committed to empowering you to become a better you, no matter what you do.

When you join KPMG you'll be one of over 219,000 professionals providing audit, tax, advisory and business enablement services across 147 countries.

With the support to do things differently, grow personally and professionally and bring your whole self to work, there's no limit to the impact you can make. Let's do this.

What you will do:

Our KPMG Enterprise practice is devoted exclusively to helping Canadian business owners and entrepreneurs build value in their business and grow thriving private companies. Under the guidance of seasoned KPMG Enterprise professionals, you will grow to understand the needs of our clients and provide effective advice to help owners achieve their goals.

You'll have the opportunity to work across geographies and industries to take on challenging and groundbreaking projects. From analyzing and assessing business processes to improving client performance, you'll be building strong relationships with our people and developing professional skills that will help set you up for success.

What you bring to the role:

You're a highly motivated student who strives for excellence, innovation and collaboration. You're passionate about being involved in your local community and university and have a proven ability to achieve personal and professional success while juggling competing priorities and deadlines. You have a strong academic record and are committed to achieving your CPA designation.

Keys to your success:

- Strong relationship-building skills that will enable you to easily interact with clients, colleagues, and the wider community.
- A commitment to continual learning – developing new skills, taking on new responsibilities and broadening your knowledge through research.
- The ability to provide crucial consultation and analysis for the variety of clients you will serve.

For an easy application process, please PDF all documents into one unlocked PDF file. Applications should include a cover letter, resume, and an electronic copy of your most recent transcript. If you do not have access to an electronic copy of your transcript, we ask that you attach a screenshot of your grades from your school's website.

Please apply to the posting for the office you are most interested in. You will be given the opportunity to select your position preference (Summer Intern, Co-op Student, or Full Time Employee) using the pre-screening questions. Please note that not all offices offer all positions
